HX5620/20

# Highlights

## Patented Sonic technology

Sonicare's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

## Angled brush head neck

Uniquely angled brush head neck makes it easier to reach back teeth, removing plaque in those hard-to-reach areas.

## Safe and gentle

Your Philips Sonicare Electric Toothbrush is safe to use on: braces (brush heads wear out sooner when used on braces), dental restorations (fillings, crowns, veneers) and periodontal pockets.

## Smartimer

2-minute timer helps ensure dental professional recommended brushing time

## Easy-start program

Gently increases power over first 14 uses to ease into the Philips Sonicare electric toothbrush experience

## Soft Grip

The soft grip helps you better control your Sonicare toothbrush and adds comfort.
